

Just because you're sixteen doesn't mean you can't be up to your eyeballs in debt.

You may be a minor, but your gambling debts may not be. It's not hard for a teenager to run up hundreds of dollars in debts. The time to quit is before you get in too deep. Break the habit before the habit breaks you. Call the National Council on Problem Gambling 1-800-522-4700 for 24 hour confidential assistance.
